

## Music Library

### What is it?

The Music Library has over 4,000 audio clips that you can preview and download in WAV file format. It's hosted by the AAU Online Academy, and you must use your Academy of Art username and password in order to log in and access the database.

### How do I access it?

- 1) Go to the AAU Library homepage at [library.academyart.edu](http://library.academyart.edu).
- 2) From the drop-down menus near the top of the homepage go to **Find Resources** then select **Online Resources**. Under **Music Database**, you can access the database by clicking on **Music Library**.
- 3) On the next page, you will be asked to provide your AAU username and password.

You can search using keywords and limit the results by music genre.

If you'd like to browse all of the available music files, leave the **Search Keywords** field blank, leave the **Genres dropdown** as **All Genres**.

### Music Library

#### Filter Audio Results

Please select a genre and/or enter a search term into the filters below and click "Search" to see results.

An example search would be keyword "upright bass" in the genre "Country" to find all country music that has the phrase upright bass in its description.

Search keywords:  and **All Genres** **SEARCH**

After clicking **Search**, you will see:

Search keywords:  and **All Genres** **SEARCH**
